This book focuses on the most controversial aspect of Lincoln's thought and politics - his attitudes and actions regarding slavery and race. Drawing attention to the limitations of Lincoln's judgment and policies without denying his magnitude, the book provides the most comprehensive and even-handed account available of Lincoln's contradictory treatment of black Americans in matters of slavery in the South and basic civil rights in the North.

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part, as well as in the vocal line.

Acting: Make It Your Business, written by an award-winning, veteran casting director, puts the power to land jobs and thrive in any medium - stage, film, TV, or the Internet - directly into the hands of the actor. This blunt, wise, and often hilarious guide overflows with cutting-edge audition, marketing, and networking strategies, combining traditional techniques with those best suited for the digital age. Well-known actors and powerful agents make cameos throughout, offering newcomers and working professionals alike a clear-eyed, uncensored perspective on survival and advancement within the entertainment industry. "Hurous and witty . . . Actors everywhere who are trying to succeed in the business, young or old, on stage or on camera, in New York or anywhere in the world, take note: This is your road map." - Bernard Telsey, casting director (Rent, Sex & The City: The Movie, Wicked) "All the right questions asked and answered . . . and with a generous portion of good humor." - Suzanne Ryan, casting director (Law & Order) "Paul's book made me proud to be a part of the acting community in this business we call 'show.'" - Karen Ziemba, actress, Tony and Drama Desk Award Winner

In recent years sheet music collectors have become increasingly interested in the sheet music published in the United Kingdom. British publishers are prolific in issuing the sheet music for their country's films and often publish many more songs for American films released in Britain than their American counterparts. For the first time ever, all sheet music published in the United Kingdom, Canada and Australia from 1919 through 1994 can be found in this comprehensive reference work. Each of the over 2,450 entries includes the title of the film exactly as it appears on the sheet music cover, studio, date of the film's release, main stars, the song title, composers and lyricists, publisher, and a brief description of the cover. Song and composer indexes are provided for further utility.

During the American Civil War, songs united and inspired people on both sides. The North had a well-established music publishing industry when the war broke out, but the South had no such industry. The importance of music as an expression of the South's beliefs was obvious; as one music publisher said, "The South must not only fight her own battles but sing her own songs and dance to music composed by her own children." Southern entrepreneurs quickly rose to the challenge. This reference book is distinguished by three major differences from previously published works. First, it lists sheet music that is no longer extant (and listed nowhere else). Second, it gives complete lyrics for all extant songs, a rich source for researchers. And third, a brief historical background has been provided for many of the songs. Each entry provides as much of the following as possible (staying faithful to the typography of each title page): the title as published, names of all lyricists, composers and publishers; dates of publication; cities of publication; and if applicable, the names of catalogs or magazines in which the song appeared. Music published in Southern cities under Federal occupation is excluded.

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers

(P/V/G Composer Collection). Johnny Mercer (1909-1976) was not only one of America's greatest lyricists - he helped define the American South from the outside in. His words paint rich and vivid portraits of life in his native Georgia. Mercer wrote a wide variety of songs, from lush, dreamy ballads to plays on colloquial American expressions. He joined forces with some of the most talented composers of his day, including Harold Arlen, Hoagy Carmichael, and Henry Mancini, to fashion one of the most startlingly original catalogs in American popular music. This songbook commemorates the centennial of his birth with piano/vocal sheet music arrangements (including guitar chord frames) for 46 of his most famous and best-loved classics. Titles: Ac-cent-tchu-ate the Positive * And the Angels Sing * Any Place I Hang My Hat Is Home * Autumn Leaves * Bless Yore Beautiful Hide * Blues in the Night * Charade * Come Rain or Come Shine * Day In - Day Out * Days of Wine and Roses * Dream * Drinking Again * Emily * Fools Rush In (Where Angels Fear to Tread) * G.I. (Meredith Music Resource). A Composer's Insight, Volume 1 with a foreword by Michael Colgrass is the first in a five-volume series on major contemporary composers and their works for wind band. Included in this initial volume are rare, "behind-the-notes" perspectives acquired from personal interviews with each composer. An excellent resource for conductors, composers or enthusiasts interested in acquiring a richer musical understanding of the composers' training, compositional approach, musical influences and interpretative ideas. Features the music of: Timothy Broege, Michael Colgrass, Michael Daugherty, David

Was hat es mit dem mysteriösen „Bund der Rothaarigen“ auf sich? Ein Pfandleiher - natürlich ein echter Rotschopf - wird von seinem Angestellten auf eine lukrative Stellenanzeige des Bundes aufmerksam gemacht und beginnt dort zu arbeiten. Doch als die Liga sich plötzlich scheinbar in Luft aufgelöst hat, wendet sich der Pfandleiher verwirrt an Sherlock Holmes. Dieser hat sogleich einen Verdacht, der sich schließlich auch erhärtet Arthur Conan Doyle (1859-1930) war ein britischer Arzt und Schriftsteller. Aufgewachsen in Schottland, studierte er Medizin in Edinburgh und lebte später in England. 1887 veröffentlichte er seine erste Detektivgeschichte über Sherlock Holmes und dessen Freund Dr. Watson und wurde damit weltberühmt. Die Erzählungen sind bis heute ein Klassiker der Kriminalliteratur. Insgesamt gibt es vier Sherlock Holmes-Romane und 56 Kurzgeschichten.

When he realizes that the computer at his new school thinks that he's two people, Conte decides to take a double course load and graduate in half the time.
