The definitive, fascinating, all-reaching biography of Dr. Seuss Dr. Seuss is a classic American icon. Whimsical and wonderful, his work has defined our childhoods and the childhoods of our own children. The silly, simple rhymes are a bottomless well of magic, his illustrations timeless favorites because, quite simply, he makes us laugh. The Grinch, the Cat in the Hat, Horton, and so many more, are his troupe of beloved, and uniquely Seussian, creations. Theodor Geisel, however, had a second, more radical side. It is there that the allure and fascination of his Dr. Seuss alter ego begins. He had a successful career as an advertising man and then as a political cartoonist, his personal convictions appearing, not always subtly, throughout his books—remember the environmentalist of The Lorax? Geisel was a complicated man on an important mission. He introduced generations to the wonders of reading while teaching young people about empathy and how to treat others well. Agonizing over word choices and rhymes, touching up drawings sometimes for years, he upheld a rigorous standard of perfection for his work. Geisel took his responsibility as a writer for children seriously, talking down to no reader, no matter how small. And with classics like Green Eggs and Ham, and One Fish Two Fish Red Fish Blue Fish, Geisel delighted them while they learned. Suddenly, reading became fun. Coming right off the heels of George Lucas and bestselling Jim Henson, Brian Jay Jones is quickly

"I'm the Cat in the Hat and it's time that we get to go to a place that is steamy and wet!" In this delightful book, Dr. Seuss' famous Cat in the Hat explains all about the rainforest to young readers. This title and others form part of a series of books that takes an off-beat look at nature and natural sciences through a fun combination of Seussian rhymes and zany illustrations. Aimed at early readers - from four to seven year olds - the books are designed to bridge the gap between concept books written for preschoolers and more formal non-fiction titles that require fluent reading skills. By presenting the facts in a lively and rhythmic manner, they provide the critical foundation upon which complex facts and ideas can eventually be built.

## [The Dr. Seuss Coloring Book](#)

The Cat is on a mission to make school FUN in this hilarious new Beginner Book--a sequel to *If I Had Your Vote*--by the Cat in the Hat--that's a perfect choice for back to school! When the Cat hears that Sally and her brother (stars of *The Cat in the Hat*) think school is dull, he arrives at their classroom--along with Little Cats A, B, and C (from *The Cat in the Hat Comes Back*)--to demonstrate how school fun should be done! Among the changes he'd make? Adding two-headed class pets; replacing Show and Tell with Smell and Tell; planting Book-Blooming Seeds (growing rooms full of books); and adding such "non-traditional" materials as shovels, jackhammers, and plungers to Art Class! An ideal choice for children entering school for the first time, this easy-reader is bound to cause lots of giggles--helping ease any back-to-school anxiety! Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning.
