Moral Education Stanley Hauerwas presents an overall introduction to the themes and method that have distinguished his vision of Christian ethics. Emphasizing the significance of Jesus' life and teaching in shaping moral life, The Peaceable Kingdom stresses the narrative character of moral rationality and the necessity of a historic community and tradition for morality. Hauerwas systematically develops the importance of character and virtue as elements of decision making and spirituality and stresses nonviolence as critical for shaping our understanding of Christian ethics.

Creed I Volume One of Traditional Christian Ethics describes the terminology, discusses popular approaches to ethical decision-making today, illustrates that the earliest Christians conducted themselves in accordance with a large number of specific moral rules, states the method of this set of books for reconstructing the content of early Christian ethics/law as attested before the devastating epidemic and mass apostasy of AD 249-251, gives reasons for regarding this as the terminal date, and provides a guide to using the lists. At a number of points, this volume deals with objections to its theses. Volume One also furnishes you with complete information as to where you can find and look up the ancient sources cited in translation. Traditional Christian Ethics will help you solve problems in moral decision-making when Scripture is unclear or silent. You can solve them through its comprehensive itemized concordances of citations to precepts of Christian ethics from all translated ancient texts. Its sources possess unassailable authority that cannot be fabricated, and are persuasive among most Christian denominations. Preachers and professional scholars will find them invaluable as a starting point in preparing their own sermons, books, articles, and essays on specific points of ethics.

Traditional Christian Ethics

The Peaceable Kingdom

Dilemmas Adopting a unique approach among introductions to Christian ethics, Kyle Fedler's Exploring Christian Ethics guides students through the moral decision-making process by providing foundational material in both ethical theory and biblical ethics. First, Fedler introduces the reader to the discipline of ethics, then he explores the ways Scripture can be used responsibly in Christian ethics, and finally, he presents and analyzes the sections of Scripture that have been most influential in Christian morality and ethics.

Public Library Core Collection Moral values are under attack. Although the United States of America was established with a firm position on Christian values and morality on the fundamental belief that God's laws were supremely rich tapestry of American history and values has been tattered and torn by the introduction of principles inconsistent with the Founding Fathers beliefs. How can we then overcome this challenge and bring back integrity and honesty into contemporary life? In Once upon a Time: A Guide to Moral Decision-Making, author Dick Hanson reclaims this lost set of values and provides insight and encouragement for dealing with the problems that beset humankind. Drawing from a variety of sources and offering a sense of the historical background of moral decision-making, Hanson uses a Christian, biblical perspective to articulate a decision-making process that can help show people the way forward with courage and resolve. Replete with examples of people who have made moral decisions, each chapter provides inspirational guidelines and scriptural references that will today assist each person in making moral decisions. The themes of honesty, integrity, spirituality, and morality run as a thread through the tapestry of history, culminating in the formation of the United States of America and its enduring principles. Despite the moral relativism that permeates our day, God has a set of moral rules and a code of conduct that will bring us back to a high standard of moral behaviorsomething we so need in our day and time.

Blest be the Ties that Bind Should society care about Christian morality? Are Christians out of touch with complex moral decision-making? Christian Morality: An Interdisciplinary Framework for Thinking about Contemporary Moral Issues provides readers with a framework for identifying and applying Christian moral principles to divisive issues. First, readers learn of the theological and philosophical foundations of Christian ethics. Two additional chapters explain how personal and social factors influence our capacity to think critically and Christianly about morality. Second, readers will learn about forming Christian moral judgments by seeing how different thinkers address six contemporary moral issues: abortion, same-sex relationships, equal treatment of men and women in the workplace, sex education, and racial bias in incarceration policies.

Conscience in Conflict

New Catholic World For Christians there is nothing more important than understanding the significance of the life and teaching of Jesus. It is when people gain an insight into the mind of Jesus and understand how his teaching is relevant to them personally that a life-changing relationship develops. Here, the insights of psychology are applied to the figure of Jesus as we encounter him in the gospels – his personality and how it is portrayed, the psychological significance of his teaching, and the psychological processes involved in our reading of the gospels. The contributions range from considerations of the psychology of Jesus himself, and how he is portrayed, through chapters covering the message, sayings and encounters of Jesus in the gospels. A final section explores what we bring to our own reading

Online Library Moral Decision Making Jesus The Divine Word

and interpretation of the gospels. Accessible and approachable, *Jesus & Psychology* is a must for anyone interested in the psychology of religion, who is looking to deepen their understanding of the gospels and the figure of Jesus. Contributors: Fraser Watts, Justin J. Megitt, Liz Gulliford, Sara Savage, Beaumont Stevenson, Jesse W. Abell, James M. Day, Leslie J. Francis, Everett J. Worthington Jr

The Firstborn of Many: Doctrinal and practical Christology This prominent theologian adds his contribution to the authority of Scripture debate An impassioned contribution to the debate about the authority of scripture - how we read the Bible, and how, the author believes, a fundamentalist reading is unsustainable. This book will infuriate many and delight others, and will make a valuable contribution to the debate, which we plan to join with voices from many corners. The book works through a series of Bible passages often cited as 'proof texts', and explores how they can be read, and how they are used.

Patterns of Inner Process "What ought we to do?" In this third edition of *Conscience and Conflict: How to Make Moral Choices*, Jesuit theologian Kenneth Overberg discusses the sex abuse scandal in the Catholic church, homosexuality, stem-cell research, globalization, terrorism and preemptive war, euthanasia, artificial conception and contraception, managed care and other tough issues that confront us as individuals and as global communities.

Ethics in Mental Health Practice Professor Aldwinckle's basic theme is to argue for the necessity of going beyond the science and phenomenology of religion to deal with the truth-claims of various forms of religious faith. Aldwinckle makes a substantial case against modern tendencies toward religious syncretism, and a convincing case for the uniqueness of the Christian faith. Against the charge that such claims for Christ entail religious imperialism, arrogance, or exclusivism, Aldwinckle makes a strong case for living nearer the Spirit of the One whose unique role we affirm and profess. Russell Aldwinckle is Professor Emeritus at McMaster Divinity School, Hamilton, Ontario, Canada. -- Publisher description.

Beiträge zur Geschichte der Philosophie und Theologie des Mittelalters Excellent textbook introduction to the basic issues of fundamental moral theology that considers all of today's moral issues.

Being Catholic

What the Bible Really Teaches Wahrscheinlicher Grund des ungewöhnlichen Buch-Erfolges ist der revolutionäre Inhalt von "Theologie der Hoffnung". Moltmann propagiert darin ein umstrittenes, gesellschaftskritisches - wie er sagt: ursprüngliches - Christentum und offeriert damit Christen und Kirchen eine Theologie, die zu aktiven, ja aggressiven Auseinandersetzungen mit der politischen Umwelt ermahnt und anteuert. Die Christen, so ruft Moltmann seine Glaubensbrüder auf, sollen der Wirklichkeit nicht mehr "die Schleppe nachtragen, sondern die Fackel voran".

Reason Informed by Faith Texte und Untersuchungen.

The Ethics of Uncertainty Wilson's Public Library Core Collection: Nonfiction (13th Edition, 2008) recommends reference and nonfiction books for the general adult audience. It is a guide to over 9,000 books (over 6,500 titles are new to this edition), plus review sources and other professional aids for librarians and media specialists. Acquisitions librarians, reference librarians and cataloguers can all use this reliable guide to building and maintaining a well-rounded collection of the most highly recommended reference and nonfiction books for adults. All titles are selected by librarians, editors, advisors, and nominators—all of them experts in public library services. The collection is a valuable tool for collection development and maintenance, reader's advisory, weeding your collection, and curriculum support. Richly enhanced records provide a wealth of useful information. All entries include complete bibliographic data as well as price, subject headings, annotations, grade level, Dewey classification, cover art, and quotations from reviews. Many entries also list awards, best-book lists, and starred reviews. Save Time: Efficiently organised and includes "Starred" titles Save Money: Allocate your resources to the best materials available Stay Relevant: Discover the best in important, contemporary categories Complete Coverage: Includes recommendations on periodicals and electronic resources, too Four-Year Subscription This Core Collection was originally sold as a four-year subscription. The core edition, published in 2008, delivers a library-bound volume with an extensive, selective list of recommended books. From 2009 to 2011 Wilson published extensive paperback supplements to the 2008 edition. A new cycle of materials will begin in 2012. However, the 2008 to 2011 materials are currently available. Buyers of them will receive all these materials immediately. All four years are only \$420. Uniquely Valuable There is nothing quite like Wilson Core Collections. The accumulated expertise of our selectors, and the unquestioned reputation of these collections, is invaluable. Wilson Core Collections are universally recognised as impartial and expert aids to collection development that assist and reinforce the judgement of librarians everywhere. Selection to a Wilson Core Collection is strong support to any challenged purchase. Contemporary Relevance This Core Collection includes broad updates in the areas of crafts; terrorism, and international security; environment and global warming; diseases and medicine; and religion, plus other contemporary topics that keep the library's collection as current as today's headlines. Other Key Features Classified Catalogue - A list arranged by Dewey Decimal Classification, with complete cataloguing information for each book. Author, Title, Subject and Analytical Index - An in-depth key to the information in Classified Catalogue-including author and title analytics for works contained in anthologies and collections. Richly enhanced records provide complete bibliographic data, price, subject headings, descriptive annotations, grade level, Dewey classification, evaluative quotations from a review, when available. Preaching That Speaks to Women Content Description v. 1. To hope in Jesus Christ.

Once Upon a Time Themes in Religious Studies series

Faith, Authenticity, and Morality A prominent theologian takes a new look at the stories of Jesus from a modern perspective to demonstrate how his parables and teachings can bridge the gap between the ancient and modern world to serve as contemporary guidelines for leading a moral life, explaining how to extrapolate answers for such issues as civil rights, aging, and teenage drug use. Reprint.

The Princeton Seminary Bulletin This work delves into the topic of moral education in America's K-12 schools. Following an introductory historical chapter, it analyzes salient topics and notable leaders in the field of moral education. It treats the issues thoroughly and fairly, providing a heightened understanding of both the major and minor themes in moral education.

Christ Jesus, the Way

Exploring Christian Ethics

Morality Morality: An Invitation to Christian Living is divided into two parts consisting of 15 chapters. The first section provides a foundation for Christian morality as it examines virtues, conscience, and sin. The teachings of Scripture, Jesus, and the Church provide the basis for a moral decision-making process which students are encouraged to use with the real-life moral issues presented in the second section of the text. Adolescents are encouraged to become persons of character and to aid in building communities where living morally is the norm.

Virtue Ethics and Right Action

Christian Morality

The Foundations of Ethics

Choosing This radical new assessment of Christian ethics offers a unique perspective on the relationship between Christianity and moral decision-making in an increasingly secular world.

Walk with Jesus Christ, the Truth Iii' 2008 Ed.(maturing in Jesus Christ) In most twenty-first century congregations, women outnumber men by as much as fifty percent or more. Unfortunately, masculine anecdotes and a lack of understanding of the different ways women and men listen, learn, and perceive ideas of leadership and power leave many women feeling detached from the messages conveyed from the pulpit. How can a pastor effectively minister to both men and women? How do the ways in which women understand sermons differ from those of men? Preaching That Speaks to Women invites preachers to consider how gender affects the way sermons are understood and calls them to preaching that relates to the entire congregation. Drawing from her experience as a teacher of ministry students, as well as her experience as a missionary, conference speaker, and radio Bible teacher, Alice Mathews explores both the myths and legitimate boundaries for speaking about women as listeners. She considers the ways women think about themselves, make ethical decisions, handle stress, learn, and view leadership and power and applies the results to the task of preaching. Mathews advocates effective preaching that does not ignore women or merely typecast women in narrowly defined roles.

Jesus and Psychology

Jesus--a Savior Or the Savior? The Zondervan Dictionary of Bible Themes contains over 2,000 thematic articles with an explanation of the theme, key Bible references, and cross-references to related themes. Comparable to the venerable Nave's Topical Bible in scope, the Zondervan Dictionary of Bible Themes stands apart in its unique, nine-level classification of themes that brings related biblical and theological concepts together. Now you can access entire fields of information, saving time and increasing your thoroughness. The entire Bible is referenced for a host of themes -- doctrinal, ethical, historical, and cultural -- grouped under nine key categories: - God - Jesus Christ - Holy Spirit - Creation - Humanity - Sin and Salvation - God's People - The Life of the Believer - Last Things. Produced by the outstanding editorial team of Martin Manser, Alister McGrath, J. I. Packer, and Donald Wiseman, this book provides a superb tool for topical studies. Use it by itself, or in conjunction with the matching Zondervan Handbook to the Bible as part of a highly useful two-volume set.

Ethik der Hoffnung Exercises to assist students in making decisions on moral issues.

Zondervan Dictionary of Bible Themes

Creed - A Course on Catholic Belief, School Guide A Christian morality course designed to be part of the religion curriculum within a Catholic high school. The course focuses on character development.

Making Moral Decisions

Making Moral Decisions

Online Library Moral Decision Making Jesus The Divine Word

When Jesus Came to Harvard Written in accord with the Catechism of the Catholic Church and rooted in the sound catechetical principles of the National Catechetical Directory, these texts present a well-defined curriculum model that stresses clear objectives, careful organization, and creative methods and evaluation procedures to check the attainment of goals. Very flexible, allowing teachers to select materials to highlight and stress, each text can be implemented on various grade levels for a quarter, a semester, or a full year depending on the length and frequency of class meetings. High school seniors must not only understand the core of Catholicism, but must also be able to apply their beliefs to the many crucial areas of contemporary living. This text, a complete synthesis of the Catholic Faith, is an important tool to help achieve that goal. It examines what it means to be Catholic by exploring the core of the faith as professed in each article of the traditional Nicene Creed, as it is lived out in the personal and social lives of its members, and as it is celebrated in prayer and worship. The text follows a clear and precise outline that will be appreciated by both students who are refining their knowledge and those who are being re-introduced to what it means to be Catholic.
